4. Categories of Special Educational Needs catered for in the school

Glanduff N.S. embraces the philosophy of inclusiveness and endeavours to reflect that philosophy in the admission of pupils with special educational needs. The school welcomes applications from children with special educational needs. Such applications will be processed in accordance with the provisions of this policy.

Pupils with special educational needs will be resourced in accordance with the level of resources provided by the Department of Education and Skills (DES) and the National Council for Special Education (NCSE).

In order to assist the school in establishing the educational and physical needs of a successful applicant, relevant to his/her ability or special needs, and to profile the support services required the school may request that parent(s)/guardian(s) of the pupils accepted for enrolment; (i) Inform the school of any special needs as early as possible and (ii) Ensure that copies of relevant professional reports are provided so that provision can be made for that applicant's welfare and educational progress.

Glanduff N.S. will cooperate with the NCSE in the performance by the Council of its functions under the Education for Persons with Special Educational Needs Act 2004 in relation to the provision of education to children with special educational needs, including in particular the provision and operation of a special class or classes when requested to do so by the Council.

5. Admission of Students

This school shall admit each student seeking admission except where –

- a) the school is oversubscribed (please see [section 6](#) below for further details)
- b) a parent of a student, when required by the principal in accordance with section 23(4) of the Education (Welfare) Act 2000, fails to confirm in writing that the code of behaviour of the school is acceptable to him or her and that he or she shall make all reasonable efforts to ensure compliance with such code by the student.

All denominational schools

Glanduff N.S. is a Catholic school and may refuse to admit as a student a person who is not of Catholic religion where it is proved that the refusal is essential to maintain the ethos of the school.

6. Oversubscription

In the event that the school is oversubscribed, the school will, when deciding on applications for admission, apply the following selection criteria in the order listed below to those applications that are received within the timeline for receipt of applications as set out in the school's annual admission notice.

1. Siblings of present pupils (including step-siblings resident at the same address).
2. Children who were previously enrolled in Glanduff N.S.
3. Children living in the school catchment area. The school catchment area also includes the old school catchment area of Lloyds National School.
4. Siblings of past pupils (including step-siblings resident at the same address).
5. Children of staff.
6. Where the child's principal residence is outside the parish/school agreed catchment area, children whose home address is closest to the school will be given priority.

If an applicant falls into a number of priority categories listed above, s/he will be included in the category which affords him/her the highest priority.

In the event that there are two or more students tied for a place or places in any of the selection criteria categories above (the number of applicants exceeds the number of remaining places), the following arrangements will apply:

- In Junior Infant class priority will be given to the oldest children in allocating places proceeding in descending order of age from oldest to youngest until all remaining available places have been filled. If two or more applicants have the same date of birth, the school will apply a random selection process to these applicants only, in order to establish to whom places in that category will be offered. This random selection process will be witnessed by the Board of Management.
- A waiting list for unsuccessful applications will be compiled and applicants will be placed on the list in the order of priority as set out above.
- Where a vacancy becomes available, applicants on the waiting list will be offered a place in accordance with the order of priority the applicant has been placed on the list.
- Incomplete applications, as determined by the Board of Management, will not be considered, and applicants will not be placed on the waiting list.
- In a particular year, an applicant may fulfil the enrolment criteria and be offered a place, and parents of the applicant may accept the place. If subsequently the applicant's parents decide not to send their child to school that particular year, the applicant's place cannot be deferred. Instead the applicant must reapply for the following year and will be offered a place if they fulfil the enrolment criteria for that following year.
- For classes other than Junior Infants the number of pupils in that class and space in the classroom will be factors taken into account on the particular year of those seeking enrolment.

7. What will not be considered or taken into account

In accordance with section 62(7) (e) of the Education Act, the school will not consider or take into account any of the following in deciding on applications for admission or when placing a student on a waiting list for admission to the school:

13. Waiting list in the event of oversubscription

In the event of there being more applications to the school year concerned than places available, a waiting list of students whose applications for admission to Glanduff N.S. were unsuccessful due to the school being oversubscribed will be compiled and will remain valid for the school year in which admission is being sought.

Placement on the waiting list of Glanduff N.S. is in the order of priority assigned to the students' applications after the school has applied the selection criteria in accordance with this admission policy.

Applicants whose applications are received after the closing date, outlined in the Annual Admission Notice, will be placed at the end of the waiting list in order of the date of receipt of the application.

Offers of any subsequent places that become available for and during the school year in relation to which admission is being sought will be made to those students on the waiting list, in accordance with the order of priority in relation to which the students have been placed on the list.

The Board of Management reserves the right to determine the maximum number of pupils enrolled in each class as 26.

The Board reserves the right to change this number should relevant circumstances change. If the number of applications received exceed the number of available places then the 'Enrolment criteria for children seeking a place in Junior Infants' section will apply.

Should a vacancy exist the applicant will be enrolled in an age appropriate class provided that;

- The School is provided with a fully completed, signed and dated enrolment application form which is available from the school office and the school's website together with all required documentation.

The following are the school's arrangements for students where the parents have requested that the student attend the school without attending religious instruction in the school. These arrangements will not result in a reduction in the school day of such students.

A written request should be made to the Principal of the school. A meeting will then be arranged with the parent(s) or the student, as the case may be, to discuss how the request may be accommodated by the school.
